

How to install Keil μ Vision5?

1. First copy the “**VSA 8051 Robotics Course**” folder given to you in pen drive in your computer.
2. Then open the folder in your computer.
3. Open “**Software**” folder in it and then double click on “**KeiluVision5.exe**” file.
4. The installation of this application will start.

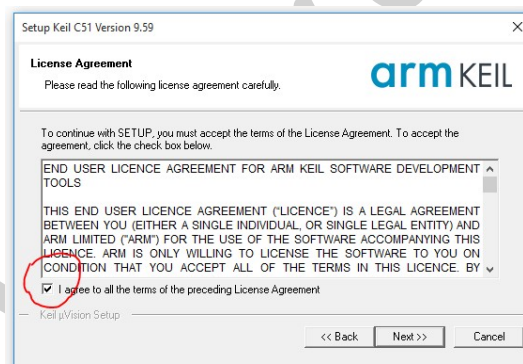

Vidyasagar Academy has updated its 8051 course software to Keil μ Vision5 due to new updated version.

All students can download this new version on following link from our website.

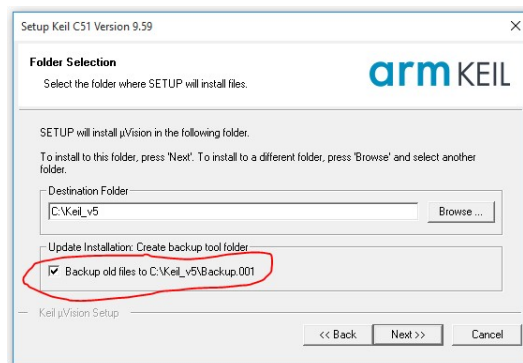

<https://www.keil.com/demo/eval/c51.htm>

File name: c51v959.exe
File size: 83.2MB

5. Click next.
6. Now check the box as shown below to accept the license agreement.

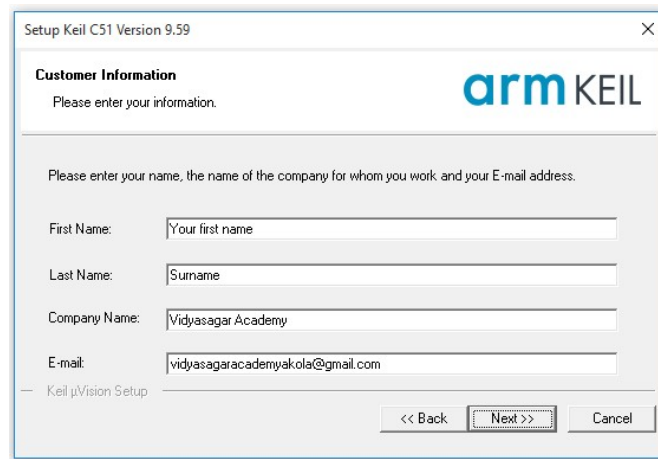

7. And then click next.

8. It will ask you the installation path to install. Don't do anything here, just click next.

9. Now you will see the following dialog box. Here fill up your details as shown below.

Setup Keil C51 Version 9.59
